The Beginner Gym Girl

50–60 MINUTES | FULL BODY

Warm-up | 8 min

Treadmill walk 5 min; arm circles, hip circles, bodyweight squats 3 min.

Strength circuit

Leg press: 2 × 10–12; seated chest press: 2 × 10–12; lat pulldown: 2 × 10–12; dumbbell Romanian deadlift: 2 × 10; seated cable row: 2 × 10–12; dead bugs: 2 × 8 per side.

Rest + form

Rest 60–90 seconds between sets, or longer as needed. Use a controllable weight; ask a trainer to demonstrate unfamiliar machines.

Cool-down | 5–10 min

Easy walking and stretching.

Beginner note

Try twice weekly on nonconsecutive days. Prioritize form over weight.

Your pace is enough. Start small, listen to your body, and celebrate showing up.
