Ingredients

- 1-2 lb beef
- 2-3 cups red wine
- 4 large carrots
- Mini potatoes
- 1 1/2 onions
- Sliced mushrooms
- Minced garlic
- 3 large celery stalks
- 2 cups peas
- Cornstarch or flour
- 2-3 cups beef broth
- Worcestershire sauce
- Parsley
- Bay leaves (2)
- Seasonings noted: chili powder, cumin, salt, black pepper, curry powder, cardamom powder, red pepper flakes
- Optional steak seasoning

Directions

1. Marinate the beef overnight with your preferred seasonings. The notes suggest a little baking soda to help tenderize.
2. Using a little oil, brown the beef on all sides for about 5 minutes, then set aside.
3. In the same pot, add onion, mushrooms, garlic and carrots. Stir-fry for about 5 minutes.
4. Deglaze the pot with red wine. Return the meat, add bay leaves and seasonings, then add beef broth. Cover and simmer on low-medium heat for about 20 minutes.
5. Add potatoes halfway through, adding more beef broth as needed.
6. Add celery and cook for about 10 minutes. Add peas.
7. For a thicker stew, stir in about 2 tbsp flour mixed with water (cornstarch can also be used).
8. Add parsley, cook about 5 minutes more, then cover and let stand 5-10 minutes.

Stella's Note

Season to taste. A combination of soy sauce and coconut aminos can be used.
