

Stella's Homemade Bread

BAKING • FROM STELLA'S KITCHEN

Serves 5-7 people	Prep About 3 hours (including rise time)	Cook 35 min
-----------------------------	---	-----------------------

Ingredients

- 3 cups all-purpose flour
- 1 packet active dry yeast
- 1 tsp salt
- 3 tbsp sugar
- 1/4 cup olive oil
- 1 cup water
- 1/2 cup milk

Directions

1. Activate the yeast: in a small bowl, add yeast, water, milk and sugar. Stir, cover and leave for 10-15 minutes.
2. In a large bowl, mix the flour and salt. Make a well in the center and pour in the activated yeast mixture and olive oil. Stir until a dough forms.
3. Knead the dough for about 20 minutes by hand, adding a little flour, water or oil as needed. The dough should become smooth and elastic.
4. Cover and let rise for 1-2 hours, or until doubled in size.
5. Punch down the dough and shape into a loaf.
6. Bake at 350°F for about 35 minutes.

Stella's Note

Adjust flour, water or oil while kneading until the dough feels smooth and elastic.
